

# Attachment 1

## Statement Of Work

THIS STATEMENT OF WORK (this "SOW") is entered into by and between the Client and Service Provider pursuant to the Project Services Agreement (the "Agreement") governing the following Project:

**RE:** Project Name :

**RE:** Project Identification Number : 00000000

All capitalized terms not defined in this SOW have the meanings given to such terms in the Agreement, unless the context requires otherwise. The information in this SOW shall be considered Confidential Information under the terms of the Agreement.

1. Project Description. Project Description Here.

The Project will consist only of those items specified and delineated on the Suggested Price Worksheet, which is included into this Agreement as Attachment 2. Note, those items not initially included in this Project, may become Additional Services at a later date, if requested by the Client. Additional Services may be charged at a premium rate of 120% of what is shown as the Suggested Price.

2. Key Assumptions. To insure timely completion of the Project, it is assumed that the Client will provide timely approvals and prompt decisions on Project questions. It will be necessary for the Client to provide the majority of the informational content for the Project. The Client will provide and / or purchase domain name(s), web hosting services and any other products necessary for the completion of the Project.

3. Scope of Services. The Services Provider will deliver a Client approved, functional Project in accordance with the timely instructions of the Client. Provider will instruct the Client on the methods and information to simply revise and / or maintain the Project, as necessary and / or as per this Agreement.

4. Milestone Deliverables. Mileston Deliverables Here.

5. Duration of Services. Given prompt decisions and approvals the Project starting date should be 00/00/2012 and the ending date should be 00/00/2012.

6. Acceptance. All approvals or other major decision issues necessary for the timely completion of the Project shall be made in writing either by mail or electronic mail, unless otherwise specifically stated in the Agreement.
